Archbishop Heiss' Funeral Participated in by a Large Number of the Most Prominent of the Catholic Clergy in the West.

MILWAUKEE, Wis., April 1.—The obsequies of the late Archbishop Michael Heiss of the Diocese of La Crosse took place this morning at St. John's Cathedral, where the remains have been lying in state since Saturday. Admission to the edifice was by ticket, but every portion of the sacred structure was crowded. Inside the chancel, clad in full vestments, were Archbishop Heiss of Chicago; Bishops Sargent, Northern Minnesota; Marty, Sioux Falls, Dak.; McGillicuddy, Duluth; Cotter, Winona; Spaulding, Peoria, Ill.; Hennessy, Dubuque, Iowa; Janssen, Belleville, Ill.; Foley, Detroit; Richter, Grand Rapids; Katsner, Green Bay, Wis.; Verlin, Marquette; Flaseh, La Crosse, and Ryan, Alton, Ill. Over two hundred priests were also present. The funeral ceremonies were of the usual imposing nature. Cardinal Gibbons preached a sermon in English and Bishop Kalzer of Green Bay one in German.

At the conclusion of the exercises the casket was conveyed to St. Francis Seminary. Here it will be watched all night by the students of the institution and the final interment will take place tomorrow in the vault beneath the chapel of St. Francis beside the remains of Rev. Dr. Saltzman, his life-long friend. This was the last, and the most imposing, of the services which the procession was the longest in the history of the State.

## BISHOP HUNTINGTON'S LAND.

## Amicable Suit to Determine a Transfer of Real Estate.

NEWPORT, R. I., April 1.—An amicable suit was heard in the Supreme Court yesterday, in which the parties concerned are Frederick D. Huntington and Charles Early, the former being the Bishop of Central New York, the latter a resident of Washington, D. C. The Bishop is under contract to convey to Mr. Early, with clear title, four and a half acres of land on Brenton and Bateman avenues, formerly the property of Robert L. Kennedy of New York and Seth Bateman of this city. These gentlemen conveyed the land to Rebecca D. Smith of Philadelphia by two deeds, one dated June 13, 1864, and acknowledged June 3, 1864, after which she and her successors held the land for more than twenty years. She died in 1886.

In her will this estate is left to Bishop Huntington to be permanent and for the aid of any charitable or educational institution he may select. The executors have made a deed of the property to the Bishop. Mr. Early objects to the difference in date on the deed, the failure to probate the will or the exercise of authority to convey property to her by the executors. The Court reserved its decision.

Treasurer Houston for Indiana. United States Treasurer Houston will leave here for Indiana to-morrow to remain for some time. Mr. Houston will actively engage in the work preliminary to the election of trustees in the various precincts through the State, the election of whom will take place late in the spring.

## CONGRESS' DEATH LIST

## INCREASED BY THE DEMISE OF REPRESENTATIVE WILBER.

Reference to It in the House.—Helping the People Along the Mississippi.—An Incident of the Senate Session.—Congressional Proceedings.

The Senate this morning passed House bill authorizing the Mississippi River Commission to purchase or lease such boats as may be immediately necessary to rescue inhabitants of the overflowed districts, and to use the boats for that purpose.

Mr. Hale introduced a resolution that after April 7 the Senate should meet at 12 o'clock. After some discussion it went over until to-morrow.

Mr. Plumb moved that the adjournment to-day be till 12 to-morrow. The motion was lost by 25 to 28. All the Democrats and Messrs. Plumb, Pierce and Wolcott voted aye and all the Republicans no.

At 12:30 the Senate went into secret session, and the galleries and corridors were cleared.

The following incident occurred during the open session: The bill which some days ago was recalled from the President in order to have a verbal inaccuracy corrected (giving land to the city of Colorado Springs for a water reservoir) came up.

It gave rise to a criticism of the Secretary's office by Mr. Ingalls, who said that such mistakes had become very frequent. Mr. Teller, who had charge of the bill, said that the error occurred, not in the Secretary's office, but in the Government Printing Office.

Mr. Ingalls inquired what became of the manuscript of bills passed by the Senate and expressed astonishment that they were not returned from the Printing Office until some indefinite day in the future. Bills were then engrossed without comparison with the bills as they passed the Senate. The legislation of Congress, the public printer, who was not an officer of the Senate, and had no more to do with the regularity of the proceedings than the Shah of Persia.

The correction was made and the bill was sent to the House.

## In the House.

The House this afternoon passed Senate bill creating the office of surveyors-general in North and South Dakota. House bill admitting free of duty articles from Mexico to the St. Louis Exposition of 1890, and House bill providing that affidavits and declarations in pension cases may be taken before any officer authorized to administer oaths for general purposes.

Bills were referred as follows: Senate 321, to purchase the Capron collection of Japanese works of art, to the Library Committee; Senate 1924, to refer to the Court of Claims for final determination the claim of John J. Schillinger and his assigns for the use of the Schillinger patent in the Capitol grounds, to Committee on Claims; Senate 2716, to provide for the completion of the improvement of the entrance to Galveston harbor, to the Committee on Rivers and Harbors. This latter bill carries an aggregate appropriation of \$3,000,000, of which not more than \$1,000,000 shall be available in any one year.
